

St Luke's Employment Hub

You've dreamed of being your own boss and now you're working with St Luke's and our enterprise partners to make it a reality!

How can the St Luke's Employment Hub support your new business?

The Hub provides a modern, supportive working environment for start-up businesses and offers:

- Hot desk workstations, Wi-Fi
- Use of computer, printer, stationery and photocopier
- Use of shared facilities including a community café and meeting rooms
- Access to free business advice, training and mentoring

The Enterprise Hub has 5 workstations and is available to members from 9am-6pm every Monday, Wednesday and Friday. You can use the space as much or as little as you like but, please remember, it's available on a first come, first served basis.

A programme of free workshops on relevant topics such as keeping your business legal, managing your finances and marketing will be offered. And of course working alongside like-minded business people should help keep you focused, motivated and inspired.

Membership to the St Luke's Business Enterprise Hub is available initially for 6 months at a cost of just £75. Bursaries are available to some individuals – let us know if you would like more details.

For a membership application form please contact the St Luke's Business Engagement Team on 020 7549 8179 or email businessengagement@slpt.org.uk.
